

## MAYOR'S OFFICE FOR IMMIGRANT ADVANCEMENT

Martin J. Walsh, Mayor of Boston

### President Obama's Announcement on Immigration<sup>1</sup>

#### Recent changes will:

- Protect about 65,000 undocumented people in Massachusetts from deportation, and
- Allow those who qualify to receive a work permit and a driver's license.
- The application will have to be renewed every three years.
- This will not lead to a green card or citizenship; Congress must vote to change immigration laws to allow for a path to citizenship.
- **At this time, no applications are available for the new forms of relief. Please be careful of scams.**
  - "Notarios," notary publics, immigration consultants and businesses cannot give you immigration legal advice. In many other countries, the word "notario" means that the individual is an attorney, but that is not true in the United States. If you need help with immigration issues, be very careful before paying money to anyone who is neither an attorney nor a BIA-accredited representative of a recognized organization.<sup>2</sup>
- When the applications are available, the City of Boston will be working with our community partners to organize free or low cost application clinics to identify who can qualify and to help to fill out paperwork. The next clinic will be held on **Saturday, July 23, 2016**, from 10:00AM – 4:00PM at Madison Park High School in Roxbury. Attendees will have to register for an appointment by calling: **617-635-0008**.
- If you have questions, the Mayor's Office for Immigrant Advancement offers an immigration clinic with free legal help with volunteer attorneys the first and third Wednesday of every month from 12pm – 2pm at Boston City Hall.
